3. Package of supportive measures and arrangements provided by the university (will be reviewed in the mid-term and final report)

The host institution should offer comprehensive administrative support. Such as research funding and facilities, research assistant personnel expenses, accommodation & relocation expenses, and assistance with children's education. The institution may raise the funding required for its package of supportive measures independently and/or use funding subsidies from government agencies. Please specify if you cooperate with any enterprise, such as sharing experimental equipment, forming joint R & D teams or injecting funds, etc.)

4. Reasonableness of providing the salary and benefits

For example, detail the method used by the institution to evaluate the amount of the subsidy it is applying to the MOE to fund the additional salary above the statutory salary and benefits; and the amount of the subsidy the institution is applying for to fund administrative and operating expenses, and how the funds will be used. The institution is requested to submit details of the statutory salary it will provide and other information.

5. Team Collaboration and Planning

The Yushan Fellow should form a team with faculty and researchers within the university to carry out the teaching or research project by linking with overseas academic resources and exchange. The team must include one or more university staff members at or below the associate professor or postdoctoral research fellows. This research team should aim to cooperate and exchange foreign academic resources, which should be linked to the university's development. It's suggested to make good use of these global academic network resources to assist the internationalization of the host university and promote international communications and cooperation, including teachers and students exchange activity between universities, international research collaborations, dual degree programs, and so on. (Not applicable to Yushan Young Fellow).
